FREE PRINTABLE LOG

Vehicle Maintenance Log

One sheet per vehicle. Copy the service intervals from your owner's manual, then log every service, repair and tire job as it happens.

Vehicle (year, make, model) _____ VIN / plate _____ Oil type and capacity _____

Tire size and pressure _____ Shop and phone _____ Mileage when log started _____

Date	Mileage	Service or repair	Shop or DIY	Cost	Next due

Quick checks each month

- [ ] Tire pressure, including the spare
- [ ] Tread and sidewalls for wear or damage
- [ ] Oil level and color
- [ ] Coolant, washer fluid and brake fluid levels
- [ ] All lights and turn signals
- [ ] Wiper blades
- [ ] Any new warning light (write it down)

Intervals from your owner's manual

- [ ] Oil and filter: every _____ miles / months
- [ ] Tire rotation: every _____ miles
- [ ] Engine air filter: every _____ miles
- [ ] Cabin air filter: every _____ miles
- [ ] Brake fluid: every _____ years
- [ ] Coolant: every _____ miles / years
- [ ] Spark plugs: every _____ miles

Record keeping only. Follow your owner's manual and a qualified mechanic for intervals and repairs. Keep receipts with this log: a full service record helps when you sell.

Free one-page log. The Vehicle Maintenance Log & Car Care Binder adds tire, fuel and repair logs, renewals and yearly costs.
